Why swim?

Physical Development

Swimming is considered the ideal activity for developing muscular and skeletal growth by many physicians and pediatricians. Why do doctors like it so much? Swimming develops high quality aerobic endurance, the most important key to physical fitness. In other sports an hour of practice may yield as little as 10 minutes of meaningful exercise. Age group swimming teams use every precious minute of practice time developing fitness and teaching skills. Swimming does a better job in proportional muscular development by using all the body's major muscle groups. No other sport does this as well. Swimming enhances children's natural flexibility (at a time when they ordinarily begin to lose it) by exercising all of their major joints through a full range of motion. Swimming helps develop superior coordination because it requires combinations of complex movements of all parts of the body, enhancing harmonious muscle function, grace, and fluidity of movement. Swimming is the most injury-free of all children's sports. Swimming is a sport that will bring kids fitness and enjoyment for life.

Intellectual Competence

In addition to physical development, children can develop greater intellectual competence by participating in a guided program of physical activity. Learning and using swimming skills engages the thinking processes. As they learn new techniques, children must develop and plan movement sequences. They improve by exploring new ideas. They learn that greater progress results from using their creative talents. Self-expression can be just as much physical as intellectual. Finally their accomplishments in learning and using new skills contribute to a stronger self-image.

Coaches Role

All HHST coaches must meet high criteria set forth by USA Swimming. Each coach is a certified lifeguard and holds a current First Aid and CPR Training for the Professional Rescuer certification. Coaches are also required to complete the USA Swimming Safety Training for Swim Coaches Course. HHST coaches have also passed a background check. All of the above requirements must be kept up to date for a swim coach to remain in good standing with USA Swimming and Hoover Parks and Recreation.

HHST coach's main responsibility is to mold all of our swimmers into the best swimmers that they can be. In addition, coaches mentor swimmers in life skills and positive values.

Coaches shall build relationships with team families, to achieve mutually-set goals for each swimmer. Coaches also help the team to build relationships with other aquatic organizations.

Parent/Guardian's Role

As the Parent/Guardian of a competitive swimmer, your main responsibility is to provide a caring, supporting environment. This support will encourage your child to feel good about his or her interest in competitive swimming. Show your support by ensuring your swimmer's attendance at practices and swim meets. Parents/guardians are not participants on their child's team but contribute to the success experienced by the swimmer and his or her team. Parents/guardians serve as role models, and children frequently emulate their attitudes. Parents should strive to be a positive role model and most importantly, show good sportsmanship at all times toward coaches, officials and other teams.

Team Fees:

In consideration of the participation of the swimmer(s) in the Hoover Hurricanes swim program, the Parent/Guardian agrees to pay the dues for the swimmer practice level that is set forth. Monthly payment of dues shall be payable on the 1st-10th of each month. Invoices will go out on the 1st of each month. Dues may be prepaid at any time. Swimmers are expected to pay for the entire month no matter how many days they attend practice. If the Swimmer is transferred to a different group by the coaching staff, the fees for the new group will be invoiced in the next billing cycle. If advance payments have been made the difference will be invoiced to the swimmers account. If the monthly dues payment is not received in full by the 10th of the month, a late fee of \$10 per month per swimmer will be assessed to the family’s account. Payments may be processed at the Hoover Recreation Center front desk or online at: <http://webtrac.ci.hoover.al.us>

For swim team, participants will be broken into groups based on skill level and placed on the appropriate team during the first week of practices. Once you have been assigned a group you will pay one of the following monthly fees:

IV. Swim Team Practice Schedule:

Practice will begin Monday, January 6th.

January, February, March, April:

- **Beginner:**
 - **Days:** Mondays, Tuesdays, Thursdays
 - **Time:** 4:00 PM-5:00 PM
- **Intermediate & Advanced:**
 - **Days:** Mondays, Tuesdays, Thursdays
 - **Time:** 5:00 PM-6:30PM

V. Appropriate Swim Wear:

Boys may wear swim trunks or jammers. Girls may wear one piece swim suits that are not considered “fashion” swim meets. (I.e. ruffles, tutus, holes on the side.) All swimmers should have appropriate competition goggles. Goggles with a nose piece or foam around the eye lids are not allowed.

All appropriate swimwear can be found online at <https://www.swimoutlet.com/hooverhurricanes>

VIII. Late Policy:

If your swimmer is more than fifteen (15) minutes late to practice they will not be allowed to swim. However, if you communicate with the coaches that you will be late due to another function, traffic, etc. your swimmer will be allowed to participate.

Per the Hoover Recreation Center Membership Guide:

"Children under age 12 must be accompanied by an adult, who must remain in the building during the entire time the children are present."

IX. Swim Meets:

We are considered a recreational swim team, however; we encourage everyone to compete in all swim meets. For many new swimmers, taking the first step and going to their first competitive swim meet is a big undertaking. Our coaches understand this and are happy to share information about each meet and what meets may be good for beginners.

We encourage all of our swimmers to attend swim meets and compete in events recommended by their coaches. Swim meets provide an opportunity for the swimmers to measure the progress of their training and practice. They are also a social time, which enables the swimmers to build friendships with fellow teammates.

All swimmers must compete in all of the HHST home meets they qualify for, unless excused by the coach.

X. Meet Fees:

On the meet schedule it is indicated which meets have an additional meet cost. In the past the rec center has fully covered all meet costs. However, with the city's current financial situation we are asking parents to pay \$10 for the meets that have a fee and the rec center will cover the rest of the cost.

XI. Swimmer Events:

Your swimmer's coach will select the events that they will compete in at meets. The coaching plan, swimmer ability, coach-swimmer goals, and other factors will be considered as the events are being selected. Swimmers and parents/guardians are able to request events during the sign up process, but the coaches make the final decision. Newer swimmers will initially be placed in events that they will succeed in. As their skills build, they will be placed in more challenging events as determined by their coach

XII. Volunteer Expectations:

It is expected that parents volunteer at a minimum of two (2) meets per season. Since we are a smaller team, we ask that you understand we may need you to volunteer more than twice. Meets cannot operate without the help of volunteers. This typically includes timing but may also include helping with ribbons or in the bullpen. If parents are unable to volunteer at any meet, their child is attending a \$25 fee will be assessed to the families account.

One parent must agree to volunteer at all home meets they are in attendance.

Important Information

The City of Hoover strives to conduct its recreation programs and activities in a safe manner and holds the safety of participants in the highest regard. The City of Hoover continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participant's safety.

Therefore, each person registering themselves or family member/ward for a recreation program/activity should review their own insurance policy for coverage.

Due to the difficulty and high cost of obtaining liability insurance, the City of Hoover requires execution of the following Waiver and Release. Your cooperation is greatly appreciated.
